Planning and Zoning Meeting
Cancelled

To Whom It May Concern:

This is to inform you that tonight's Planning and Zoning meeting has been cancelled. Several members are unable to attend this meeting, and it is appropriate that as many commissioners as feasible attend, to provide input on the discussion items on the agenda. The items will be addressed at the next regularly scheduled commission meeting on December 10, 2009.

Thank you,

Michelle Lewis Sirianni, Town Secretary
