

**TOWN COUNCIL
SPECIAL
MEETING MINUTES
March 12, 2009**

The Town Council met in special session on Thursday, March 12, 2009 at 6:00 P.M. at 500 S. State Hwy 5, Fairview, Texas. Those present were Mayor Pro Tem Mary Price, Council Members Carolyn Sommers, Jim Cunningham, Ron Kasian, Michael Pezzulli and Anton Mattli; Town Manager John Godwin and Community Development Manager, Ray Dunlap and Planning Director, Alan Efrussy. Mayor Israeloff listened and commented by telephone.

Mayor Pro Tem Price called the meeting to order at 6:06 p.m. and declared a quorum was present.

TOWN HALL PROJECT: Discuss town hall project.

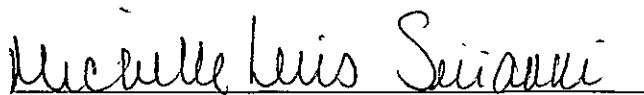

Mr. Godwin introduced town hall architect Ron Hobbs, who discussed a number of drawings and also addressed the size, height, and scale of the building. The council discussed the proposed building in some length, with particular attention paid to the large relatively blank walls, the need for more windows, and possibly a larger roof overhang.

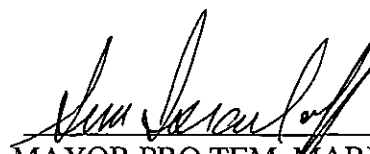

Gar Herring, Michael Stautz and David Stautz each spoke about the town hall, giving their opinions on the façade and the desire for it to fit in well with The Village.

It was agreed that the architect would re-think the large walls and devise alternatives for the council to review in approximately two weeks. The council also expressed a desire to see these new drawings in advance of the meeting, as well as see the interior layout at some point soon.

There being no other items for discussion, Mayor Pro Tem Price adjourned the meeting at 7:49 p.m.
